## v2013.05.26

This document goes over how to setup your automatic download of the community created data sets. Doing the following steps will allow you to get updates from the Hero Lab community just like how you get official updates from Hero Lab. This feature is called the *Secondary Update URL* and is very easy to use.

1. Start Hero Lab software and at the "Select a Game" window click on the "Find Updates" button in the bottom left corner.
