

## Lamashtu Prayerbook{BO-B11}

- Discovered in the smugglers tunnels below the glassworks.
- Written in Abyssal.
- The book is a magically preserved but still ancient prayer book dedicated to the worship of Lamashtu, the Mother of Monsters.
- The book reads as much like a bestiary of the world's most horrific and cruel monsters (along with numerous woodcut illustrations of how they kill) as it does a religious text.
