

Seven Pointed Star Medallion{BO-E4}

- Found on Nualia under Thistletop.
- This medallion hangs on a leather cord, a silver disc inscribed with a seven-pointed star. While worn, the medallion grants its wearer a +1 resistance bonus on all saving throws. Once per day, it may be commanded to bestow the effects of false life on the wearer - activating this function is a free action. Placed on the neck of a dead body, the medallion preserves the body indefinitely via a gentle repose effect.
