

Wand of Cure Moderate Wounds{SM-D7}

When laying your hand upon a living creature, you channel positive energy that cures <u>2d8+3</u> points of damage. Since undead are powered by negative energy, this spell deals damage to them instead of curing their wounds. An undead creature can apply spell resistance, and can attempt a Will save to take half damage.

Faint Conjuration(DC16); CL3rd; Price 1,620gp.
